## MEMORANDUM

To: Water Quality Division Customers

From: Brian W. Nutting, Director of Water Quality Management

Date: April 1, 2025

Re: Billing and Equipment Rental Rates for FYE 3/31/2026

---

The Development Authority of the North Country adjusted its contractual labor and equipment rental rates at its February 27, 2025 Board of Directors meeting. These rates are effective April 1, 2025 through March 31, 2026.

Contractual labor and equipment rental rates are shown on Attachment 1. Labor rates are adjusted annually to account for staff salary and benefit cost increases. The rate changes do not affect fixed fee contracts.

Should you have any questions regarding rates or require additional information, please do not hesitate to contact us at (315)661-3210.
